REASONS FOR ALLOWANCE

1. Claims 4-7, 9-11, 14-17 and 19-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a shaping tool having a rigid mold and shaping means, the rigid mold formed of several unconnected elements, the holding means keep the elements normally in contact with each other to define a cavity, wherein the mold has at least one central element and two end elements, the central element having abutment surfaces for the end elements and the holding means urging the end elements against the abutment surfaces independently of the shaping means. The closest prior art, McCarville et al (5,709,893), teach the shaping means and the holding means being the same.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
